## Got a heart?

Healthy children with faces, fingers, and heartbeats are tortured to death all nine months of pregnancy in Colorado. Abortion harms women, men, families, churches, and our communities.

God instructs us to speak the truth in love and rescue those being led to slaughter. We are guilty of the deaths of these children when we are silent to protect them. We need to repent and turn from our wicked ways.

To equip and encourage your congregation to lead culture and vote Biblically on the life issue, please visit our Church Toolkit “5-Minute Sundays”:

## Who we are

A grassroots movement in the body of Christ across Colorado mobilizing churches and communities to pray, educate, and change law in Colorado, the Colorado Life Initiative Coalition has as our foundation obedience to Christ on the authority of Scripture through the leading of the Holy Spirit with the gospel central to our message.

We are a coalition of more than 50 organizations, 300 churches, and three thousand individuals with a review process involving multiple doctors, attorneys, and theologians, led by a state Task Force and pastors from across the state. The initiative is an official paper petition (not online) that doesn't need the legislature or governor by bringing the information and decision directly to the people on the ballot.

The initiative puts compassion into law, making abortion unthinkable by making it illegal. Will you help us get the word out in your church and community to vote for life? Will you choose life for children in Colorado? Please visit us at [gotaheart.org/contact](https://gotaheart.org/contact) to keep informed and encouraged!
