

**got a heart?** Colorado has one of the most **inhumane** laws for killing children in the United States and the world. Abortion is a moral issue, and therefore must be addressed using a Biblical approach. God's strategy is to speak truth in love with consistent messaging that casts vision for God's people to do the right thing and turn away from evil, not compromise with it.

Because Every Child Deserves a Birthday

We are Colorado Life Initiative. We are a movement within the Body of Christ across Colorado praying, educating, and working to end the

slaughter of innocent children and the traumatic exploitation of their mothers. We are putting forward a **Constitutional Amendment** in Colorado for the 2026 ballot to protect women from victimization and children from intentional deaths by applying protective laws to all children without discrimination, regardless of age or level of development. This initiative by-passes the legislature and brings the information and decision directly to the people for a vote. This is a **legal paper petition** that gets this initiative directly onto the ballot.

Colorado has more than 200 pregnancy care centers, churches, and adoption placement agencies available to help women and their children! We do not have to answer suffering with further suffering and death! Because we know better, we can do better for women and children. **Women and children deserve the compassion of our citizens for their protection in law.**

We invite anyone who would like to eliminate the killing and mutilation of innocent children to join us in prayer, public support, and volunteerism as we educate fellow believers and communities within every area of influence to stop the holocaust.

For the moral and spiritual health of every woman, man, and child, let's defend "the least of these" among us. **Because every child deserves a birthday and every mother is worth protecting.** Ask God how He would have you be involved. We welcome you to the movement and the cause.

*"Behold, I am about to do something new; even now it is coming. Do you not see it? Indeed, I will make a way.... The people I formed for Myself will declare My praise." (Isaiah 43:18-21)*
