Repeal Amendment 79 • Take Abortion Out of the Colorado Constitution

1. Start the Call (warm + simple)

Hi, this is ___ with Colorado Life Initiative. You may have seen our emails — we're the statewide Christian coalition working to protect preborn children in Colorado. Thanks so much for staying connected with us. I'm calling because we finally have our petitions in hand, and we're ready to hit the ground running.

We already have thousands of people engaged and praying. Now we're calling supporters like you to help gather signatures.

2. What This Initiative Actually Does

Our petition repeals Amendment 79 — which removes abortion from the Colorado Constitution. This is the first step we *must* take, because:

- As long as abortion is protected in the constitution, **no governor or legislature can stop it.**
- Repealing 79 **opens the door** for real, life-saving laws.
- This is the beginning of winning Colorado back for life.

3. Why We're Calling Now

We only have about three months to gather the signatures we need. This is a true all-hands-on-deck moment.

Each petition holds **40 signatures**, and every completed petition gets us closer to putting this repeal on the ballot.

4. The Ask (clear + friendly)

We'd love to have you carry a petition. Would you be willing to take one and gather 40 signatures?

5. If They Say Yes

That's wonderful — thank you! How can we connect to get you your petition?

6. If They Say Maybe

Totally fine. What questions can I answer for you?

7. Easy ways to collect signatures

You don't have to stand outside a store or do anything uncomfortable. Most people fill a petition just by:

- Asking friends, family, coworkers
- Bringing it to church or small group
- Taking it to a barbecue or neighborhood gathering
- Keeping it in the car for everyday conversations

If you can gather 40 signatures, you can make a real difference.

8. If They Say No

No worries at all. Would you like to stay on our prayer list or help in another way?

9. End With Gratitude

Thank you so much for your time and for caring about Colorado's preborn children. We truly couldn't do this without people like you. Please pray that God will protect our preborn children and pray for our efforts.
