

PROPOSAL TO THE CATHOLIC CHURCH

Dear Leader in the Catholic Church,

We are excited to put forward a people's Initiative in accordance with the Catechism of the Catholic Church 2258 : "Human life is sacred because from its beginning it involves the creative action of God and it remains forever in a special relationship with the Creator, who is its sole end. God alone is the Lord of life from its beginning until its end: no one can under any circumstance claim for himself the right directly to destroy an innocent human being". To that end, we are asking for cooperation and collaboration from all Catholics in Colorado in setting forth this ballot initiative for the 2024 election.

We are placing this task on all Colorado Christians and invoking Christ as our leader. We must gather at least 130,000 voter signatures to get this initiative onto the ballot. Then it will educate every Colorado voter as to the humanity of the preborn child and the reality that we must protect all our children. If 20% more church-goers vote, and vote prolife, this initiative will pass. This strategy has worked in the last two election cycles in California to elect prolife leaders in areas where voters were overwhelmingly pro-death. We have a Task Force of more than thirty individuals and 900 volunteers ready to mobilize Christians across Colorado through Life Impact Groups. We are asking for 100% participation.

We are concerned that many who call themselves "pro-life" do not want to end abortion. Our goal is to close abortion clinics, stop abortion pills, hold healthcare workers to a standard of saving lives rather than destroying them, and prevent self-induced abortions. Without access to abortion, women will be referred to the more than 200 non-violent and life-affirming alternatives in Colorado including Pregnancy Care Centers, modern adoption agencies, and churches helping mothers.

Standing together for the truth, we are strengthening the prolife movement with a unified voice that ALL mothers and children are worth protecting. Rather than wait for public opinion to change, we are asking leaders to lead public opinion to change. The LORD commands us to speak up for these innocent children.

Please initial which of these you would be willing to do to help save the lives of innocent children and provide valuable resources to mothers:

Affirm this initiative aligns with Catholic teachings on the Sanctity of Every Human Life from conception to natural death.

Permit or Appoint a Life Impact Group leader in your local parish to recruit members to pray, educate, engage, and mobilize local parishioners to apply life-affirming beliefs into life-affirming actions, including registering to vote and voting for life.

Cooperate verbally and in writing within the Catholic Church, and the Catholic Church's spheres of influence, in favor of the initiative.

Permit the gathering of signatures on church property.

Produce PSA's or ads for radio, tv, newspaper, or online depicting fetal development, resources available for mothers, or women's stories that support protecting life.

Because every child deserves a birthday and every mom is worth protecting,
